

KEEPING KIDS SAFE

VIRTUAL CHECKLIST

WE FOLLOWED SAFE PRACTICES IN A VIRTUAL ENVIRONMENT BY:

- Being trained in Child Abuse and Prevention Policies for virtual meetings and events
- Requiring written consent of parents and guardians prior to virtual meetings and events
- Contacting parents regarding virtual meeting dates and times
- Maintaining the two-adult rule for virtual meetings and events
- Displaying real names of staff, volunteers, and participants
- Ensuring cameras are always on for staff, volunteers, and participants
- Maintaining mandated reporting protocols for suspicions of child abuse

Prevent Child Abuse
North Carolina™

Pledge for Prevention

I pledge to do my part to help North Carolina's children grow up healthy, successful and ready to take over as our next generation of leaders!
