Additional Supports	
<p>The rows above outline the <i>minimum</i> number of hours that practitioners should plan for engaging in support for a given semester. Many practitioners, both new and experienced, may also benefit from additional supports. Examples are listed below. Although every practitioner may not need to participate in all activities, we encourage agencies to also consider these additional activities when planning for staff time.</p> <ul style="list-style-type: none"> • <i>Coaching sessions before a series begins. These might also include support around recruitment and retention.</i> • <i>Additional coaching sessions during or after a series for more support and or practice</i> • <i>Participation in Small Group Discussions or Professional Development Topics</i> • <i>Additional time for video review for longer clips or extra time to reflect and make notes.</i> • <i>Additional time for feedback and practice (e.g., multiple practitioners participating, multiple goals being addressed, or extra time for more practice)</i> 	<p>Up to 9 additional hours depending on needs</p>
