

Coming July 2021 The Prevention Action Network is Getting a Faith Lift

PCANC has an exciting announcement! A faith component will be added to our **Prevention Action Network** and will include congregational highlights, tools, tips, and resources. By joining the network, you will have the opportunity to connect and learn with other faith communities across the state. As a valued PAN member, you will continue to receive the resource-rich content you are accustomed to with additional faith-based content and resources.

WHY SHOULD YOU JOIN?

We all play a role in ensuring the health and well-being of all children. Our faith communities lift people up and keep families strong. Your acts of service and community outreach provide protective factors which are essential in the prevention of child abuse and neglect. Joining the Prevention Action Network gives you or your congregation access to trainings, research, and statistics and a network of other faith communities, professionals and citizens who are also committed to ensuring that all of North Carolina's children grow up in safe, stable, nurturing families and communities.

Want to share your congregation's work or have questions? Contact Tracey O'Neal, Faith-Based Partnership Engagement Manager at toneal@preventchildabusenc.org.
